

Top Tips

Ensure an adult knows where and when you're going online.

Don't give out any private or personal details online.

Don't talk to people online who you don't know in person.

Do not tell anyone where you live or what school you go to.

Check that what you find online is always truthful.

Only access sites and games appropriate for your age.

Be aware of scams – don't click links that random people send you.

If you're online and someone says mean things to you or uses unkind words, leave the game and/or block them.

If there are child-safety features in what you are doing online then use them.

Don't agree to meet anyone in person that you've only met online

Don't post pictures of yourself without your parents' or carer's permission.

If anything feels wrong; or people are making you scared or worried then tell a trusted adult.
