

**Our School's action plan to
improve our school environment
and wellbeing.**

2025 and 2026

What you wanted

- More play equipment at wet playtimes.
- More play equipment at dinnertime and breaktime.
- Access to the grass area.
- More school trips.

School has an action plan

- Three areas
- Improve your maths
- Improve your speaking and listening
- Improve your social and emotional skills on the playground and in the community.

Autumn Term 1

- **Complete a** trash mob- how much plastic waste do we have in school compared to last year? **Completed.**
- Ask how we can further reduce plastic waste. **Completed.**
- Discuss what we can do to help our community- make posters to put up in the community, litter picks, and help out in the dementia café. **Completed.**

Autumn Term 2

- Complete a donation of old toys so we can use them for wet play before Christmas.
- Share what we want in the classroom with the class teachers to take action.
- Teachers to discuss how to include more school trips.
- Ask PTFA if they can buy us some toys for the playground.

Spring Term 3

- Make posters to put around the school and community to explain how to reduce plastic waste.
- Invite the infants to our Y3 panto.

Spring – Term 4

- Reading with the local infant school.
- Plan a kindness day with flags around school.

Summer Term 5

*Make artwork with the plastic waste and put this up on display and possibly sell this to raise money for more wet play games in the classrooms.

Summer – Term 6

- Litter Pick in the community
- Use the grass area to play at breaktimes.
