Our School's action plan to improve our school environment and wellbeing.

2026 and 2027

What you wanted

- Continue to reduce plastic waste and reuse your plastic waste.
- More themed days
- More school trips.

School has an action plan

- **<u>Three areas</u>**
- Improve your maths
- Improve your handwriting and spelling

Autumn Term 1-

- ***Complete a*** trash mob- how much plastic waste do we have in school compared to last year? ***Completed.***
- Ask how we can further reduce plastic waste.

Autumn Term 2

- Teachers to discuss how to include more school trips.
- Take part in a STEAM day using plastic waste.
- Reposition the recycling bins and relabel.
- Policies to review: Antibullying
- Make sure we have a worry box in the classroom and a safe place on the playground.
- Create a playground buddy and what this looks like.

Spring Term 3

- Policies to review: Behaviour, E safety and Equality.
- Teachers to plan the school trips
- Hold a swop shop of old clothes.
- Themed day on our classes name.

Spring – Term 4

- Policies to review: Attendance and Safeguarding.
- Have a scooter or cycle to school week in school-themed week.
- Mrs Cooke to look if she can find some softer maths for PE.

Summer Term 5

*Make artwork with the plastic waste and put this up on display.

Summer – Term 6

- Hold a swop shop of old toys.
- Litter Pick in the community.
