10 October 2022

Dear Parents and Carers,

Over the past academic year, the governors have been gathering everyone's thoughts on their ideas for a vision at Wirksworth Junior School. You may remember being asked via a Microsoft Survey back in October 2021 about which activities you wanted your child to take part in and achieve by the time they leave primary school education. Well, after discussions and a lot of meetings, we are really pleased to share our school vision which is attached to this letter.

This is only the start. As a school, we will look to implement this vision through our school improvement and action plans. Please do take the time to read this and share your thoughts [via the survey](#) and how we can implement this and make the dream a reality. If you are a new parent to the school, and want to have your thoughts heard, do take this opportunity to share views [on this survey](#) or email our clerk to governors Steve Jenkins on:

steve.jenkins@wirksworth-jun.derbyshire.sch.uk

Governors are really keen to improve communications. At the last Full Governors meeting we agreed to have a monthly governors' update on the newsletter, informing you on what work they have been completing. They are also wanting to be more visible, by being at the school gates in the coming months and asking what you think of the vision and what steps we can take to achieve this.

Finally, please do take the time to tell us your thoughts, we are listening.

Yours sincerely

Mrs Webb
Headteacher
